

## "Lender of Northern Opportunity"

## **Board of Directors**

## Allan Lahure

For the past 30 years, Mr. Lahure has operated a successful contracting and supply company, based from Baker Lake, Nunavut, carrying on business in all parts of Nunavut, as well as in Manitoba.

Mr. Lahur's responsibilities include direction, management, and vision for the day-to-day operations of the company, including, but not limited to business development, project management, human resource management, and financial control.

Mr. Lahure has been responsible for over-seeing all aspects of the project costing, and the delivery of successful completion of many large projects in the construction field, and the proper time management, and ensuring all resources, both material and human are in place to meet project requirements.

The company under the direction of Mr. Lahure has collaborated with many organizations, both public and private to bring successful completion to many varied construction projects throughout Nunavut and Manitoba.

Mr. Lahur completed formal education in both business administration, as well as various trades, and over the past number of years has completed upgrading and technical, and non-technical training as required, keeping himself informed of current trend, in all aspects of business, including management, technical, and computer skills.

During his many years in business, Mr. Lahure has served on many community boards, and service groups, giving many hours to the development and on-going vision and success of the North in general, and Nunavut in particular.
